

RePupliCAn Candidate

Elect Zachary

Worked for 70 canine years in service
for the protection of owners and their pets.

It is imperative that we end the Euthanasia
of healthy animals but setting a timetable is
irresponsible.

With bone prices escalating, allow digging
for bones in ANWR (Arctic National
Wildlife Refuge).

Parental notification required prior to
spay/neuter.

Crap & Trade - allows for gradual reduction
of greenhouse emissions by allotting 3 poops
a day with the ability to sell/buy poop rights.

Support the right to bear/own many pets.

DemoCat Candidate

Elect Sammy

Worked for 14 years for the undercats,
those homeless animals living in shelters.

Set a timetable for the end of euthanasia of
healthy animals throughout our nation.

Enact legislation permitting same sex
adoptions.

Reduce greenhouse emissions by requiring
the picking up of all poop.

Spay/neuter support for single mothers.

Legalize Catnip for medical purposes.

Universal Vet Care.
